Super mini-size

The overall dimension of Touch T01 is minimized by 30% and there is only 10 mm of length is in sight when it connects to the USB port. Therefore you are able to put your laptop or tablet personal computer into the handbag without having to retract the USB flash drive which upgrades your storage data mobility!

Rugged metallic casing

Touch T01 is designed with a compact shape that shows its stylish sense. The brushed metal material prevents the surface from fingerprints. The lidless design is also very user-friendly.

Water, vibration & dust proof

Utilizing COB (Chip on Board) packing technology, SP's Touch T01 is water, vibration and dust proof.

SP widget software features seven main functions

Folder Backup
AES Encryption
Documents Backup
Norton Antivirus
SP Widget
E-mail
PC-Lock
